IT'S Carpet Time NOW!

Bring us the measurements of your room and we will cut the carpet while you wait. We are the only store in Maysville that carries a large stock of

Brussels, Velvets and Axminster Carpets in Stock.

By carrying these Carpets by the roll we are able to save you about 20%, as the jobbers charge this difference for cutting carpets by orders. We buy direct from the manufacturers, who only sell carpets by the roll. A beautiful selection of patterns now on display, all this season's designs. You get what you buy here.

65c to \$1.25 Yard.

Rugs

Don't buy rugs by the price only, for the price is soon forgotten when the rug is faded away. Don't buy rugs at half price, for half price means half value. Good rugs do not often sell for less than they are worth, and honest rugs are not advertised every day for less than they are worth. We have now in stock brand new rugs that are priced from

\$1 to \$35

And these are the "TRUE PRICES." They cannot be sold for any lower price, for to do so would leave both the manufacturer and the merchant without profit. They cannot be valued at higher prices, for THE PRICE IS THE VALUE IN THIS STORE. But rugs that are equal in grade and pattern cannot be found anywhere at prices anywhere near so low.

**Curing Catarrh
Accept My Advice and Try
This Remedy at My Risk**

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is complication upon complication, which may lead to other even more serious afflictions.

I honestly believe Rexall Muc-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an available one.

I want you if you are a sufferer from catarrh in any form to give Rexall Muc-Tone a thorough trial. Use it with regularity and persistency for a reasonable time; then if you are not satisfied, come back and tell me, and, without question or formality, I will hand back to you every cent you paid me. This is certainly the fairest offer that any one could make and should attest my sincerity of purpose. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at The Rexall Store, 120 S. Chenoweth, Second and Sutton streets.

**20% UNDERFEED
INVESTMENT**

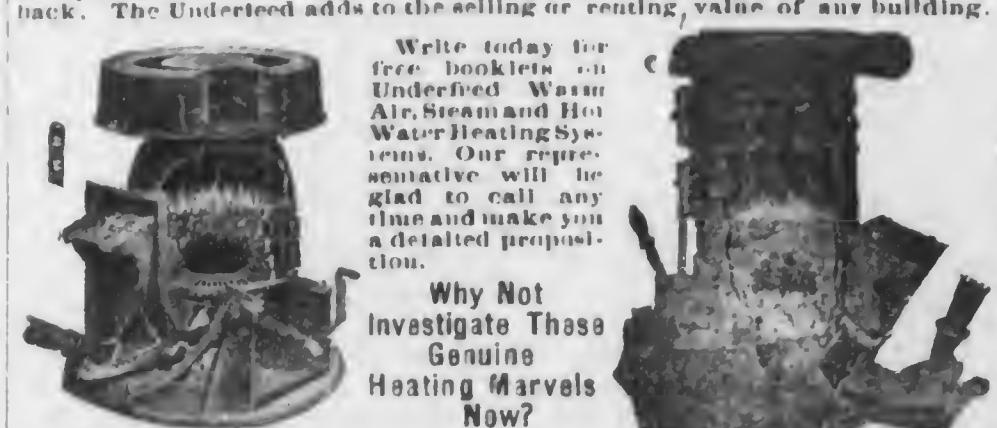

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

**PECK-WILLIAMSON UNDERFEED
FURNACE OR BOILER**

Choose the system you like best—warm air, steam or hot water. Cheap to stock in the Underfeed yields as much clean, even heat as most expensive grades; while ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 1/4 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklet on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition.
